Adieu

CSS *Alabama*
Aide toi et Dieu t'aidera

**Built for the Confederate States Navy at Birkenhead, England, in
1862 by John Laird Sons and Company
Commanded by Captain Raphael Semmes**

**"The Flag that floats over you is that of a young Republic, who
bids defiance to her enemies, whenever, and wherever found.
Show the world that you know how to uphold it! Go to your
quarters."**

June 19, 1864

**But their memories e'er shall remain for us,
And their names, bright names, without stain for us;
The glory they won shall not wane for us,
In legend and lay
Our heroes in Gray
Shall forever live over again for us.**
